## **Year 10: Key Stage 4 Study Support Evening Tuesday 6th December 7.00pm**

Dear Parents/Carers,

I am writing to invite you to the 'Key Stage 4 Study Support Evening' on Tuesday 6th December 2011. The session will begin at 7.00pm in the Small Hall, and finish at approximately 8.00pm. We realise that the next few months are vitally important for your son/daughter and we are keen to support you and them in every way. Our parent questionnaires that are issued every year at the time of the academic consultation evening are generally extremely positive in almost every section. One section which records less satisfaction is the guidance that we give to parents in helping students to study at home. We anticipate, therefore, a very good attendance at this meeting.

The evening will consist of presentations and activities based on:

- the different learning styles that pupils have and the strategies to deal with these,
- the different strategies for revision to help you support your daughter/son over the forthcoming months, and
- the different strategies for stress management.

There will also be an opportunity to listen to some of our senior pupils discuss their experiences of revising for GCSE examinations.

At the end of the evening Mr Porter (Head of Learning), and I will be available to answer any questions you might have.

To help us put out the correct number of seats and organise the resources, I would be grateful if you would complete the reply slip below and return it to the Small Hall collection point by Tuesday 15th November.

If you are attending I would be grateful if you would park inside the school grounds (where ample space is available) in order not to inconvenience our neighbours.

Yours sincerely,

Miss Linda Beskeen  
Deputy Head Curriculum
