TEACHER OF ART (PART TIME)

We are seeking to appoint, commencing in September 2018, a teacher of Art. This position is ideal for someone who would relish working with highly motivated students, teaching Art throughout Key Stages 3, 4 and 5. The post is a permanent position, part time (.6) and the ability to offer Technology teaching would also be considered.

The Latymer School is a high achieving, but caring grammar school in North London. Visitors comment on the warm atmosphere and the level of participation in extra-curricular activities. Pupils at the school recently described the school as one "family" and it being a "real community". We are very proud of our school and believe it is a place where you can really teach and develop.

The Art Department is well organised and resourced, providing a supportive working atmosphere for staff. Results are high, the most recent results in 2017 for Art being 100% A-B (95% A*/A) at GCSE, and at A level 100% A*/B.

If you would like to work in a friendly environment, with guaranteed A level teaching in Art, then we would like to hear from you.

Further details are available on the school website.

Closing date for application: 10am on Wednesday, 16th May 2018

The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory 'Enhanced with a Barred List Check' through the Disclosure and Barring Service.
